

Hydra, February 20th, 2019

Yet another **Hydra's Trail Event** collaboration is a reality. **Salomon** will be the athletic sponsor in the **Silver Sponsors** category beginning with this year's **6th** consecutive Trail Event!

A leading and innovative company in international mountain running - and many other mountain sports like skiing and hiking – **Salomon** will join our team of sponsors from this year, at **Hydra's Trail Event**.

Besides providing valuable assistance and expertise in the field, **Salomon** will also equip the athletes who will test their endurance in the 26km **Ero's Mountain Trail** with the “technical t-shirt” which bears its signature.

The athletes of Salomon Hellas Dimitris **Theodorakakos**, Giorgos **Dialektos**, Ioannis **Kourkourikis**, Slavomir **Matras** and Fotini **Koloka** will be with us, as every year, to run the island's trails!

What about you?

... be there!
